4. Any standardized tests that are given to a student shall have been validated for the specific purpose for which they are used; they shall be administered by trained and knowledgeable personnel in accordance with any instructions provided by the producer of the tests. If an assessment is not conducted under standard conditions, a description of the extent to which it varied from standard conditions (e.g., the qualifications of the person administering the test, or the method of test administration) shall be included in the evaluation report.

5. Tests and other evaluation materials include those tailored to assess specific areas of educational need, not merely those that are designed to provide a single general intelligence quotient. In no event shall IQ scores be reported or recorded in any individual student's evaluation report or cumulative folder.

6. No single procedure shall be used as the sole criterion for determining whether a student is a G/T student and for determining an appropriate educational program for the student.

  3. The team shall determine what tests and other evaluation materials shall be administered, as needed, to produce the data identified in 1437.A.2 above.
  4. The LEA shall notify the student's parents, if the determination under 1437.A.2. above is that no additional data are needed to determine whether the student continues to be a G/T student, not only of that determination and the reasons for it but also of the right of the parents to request an assessment to determine whether, for purposes of services under these Regulations, the student continues to be a G/T student.

### §1502. Opportunity to Examine Records and Parental Participation in Meetings

A. Parents of a G/T student shall be afforded an opportunity to inspect and review all educational records with respect to the identification, evaluation and educational placement of the student and with respect to the provision of a FAPE to the student.

B. Parents of a G/T student shall be afforded an opportunity to participate in meetings with respect to the identification, evaluation and educational placement of the student and the provision of a free appropriate public education to the student.

1. Each LEA shall provide notice consistent with §1504 of these regulations to ensure that parents of a G/T student have the opportunity to participate in meetings described in paragraph §1502.B. above.

2. A meeting does not include informal or unscheduled conversations involving LEA personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provision, if those issues are not addressed in the student's IEP. A meeting also does not include preparatory activities in which public agency personnel engage to develop a proposal or response to parents' proposal that will be discussed at a later meeting.

### §1503. Independent Educational Evaluation

A. The parents of a G/T student have a right to obtain an independent educational evaluation of the student subject to this section. The LEA shall provide to the parent, upon request for an IEE, information about where an independent educational evaluation may be obtained and the criteria by which it shall be conducted.

1. *Independent educational evaluation (IEE)* means an evaluation conducted by a qualified examiner who is not employed by the school system responsible for the education of the student in question.

2. *Public expense* means that the school system either shall pay for the full cost of the evaluation or shall ensure that the evaluation is otherwise provided at no cost to the parent.

3. To avoid unreasonable charges for Independent Educational Evaluations (IEEs), an LEA may establish maximum allowable charges for specific tests. The maximum shall be established so that it allows parents to choose among the qualified professionals in the area and eliminates only unreasonably excessive fees. The LEA shall allow parents the opportunity to demonstrate unique circumstances to justify an IEE that falls outside the district's criteria.

4. The LEA shall allow parents the opportunity to demonstrate unique circumstances to justify an IEE that falls outside the district's allowable charges.

B. An IEE is provided at public expense to the parents, if

1. the parent disagrees with an evaluation provided by the LEA, or
2. a hearing officer requests an IEE as part of a due process hearing.

C. When an LEA is notified in writing by the parents that the parents disagree with the LEA's educational evaluation, the LEA has ten business days following the receipt of the notice to initiate a due process hearing to show that its evaluation is appropriate. If the LEA does not initiate a due process hearing within the ten business days, the IEE shall be at public expense.

1. The request for an IEE may be presented orally if the parents are illiterate in English or have a disability that prevents the production of a written statement.

2. If, in a due process hearing, the hearing officer finds that the LEA's evaluation is appropriate, the parents still have the right to an independent evaluation, but not at public expense.

3. If the parents request an IEE, the LEA may ask for the parents' reasons why they object to the public evaluation. However, the explanation by the parents may not be required and the LEA may not unreasonably delay either providing the IEE at public expense or initiating a due process hearing to defend the public evaluation.

D. An IEE obtained at public expense shall meet the same criteria established by these Regulations and the *Pupil Appraisal Handbook*. The LEA may not impose conditions on obtaining an IEE, other than the criteria contained in the *Pupil Appraisal Handbook*.

E. If the parents obtain an IEE at private expense and the IEE meets the criteria in the *Pupil Appraisal Handbook*, the results of the evaluation shall be considered by the LEA; any decision made with respect to the provision of a free appropriate public education to the student may be presented as evidence at a hearing as described in §1507 of these regulations regarding the student.

F. The LEA is not required to use the IEE obtained at private expense as its only criteria for deciding the content of the student's special education program.

  5. sources for parents to contact to obtain assistance in understanding the provisions of the procedural safeguards.
- C. The notice shall be written in language understandable to the general public and provided in the native language of the parents or other mode of communication used by the parents, unless it is clearly not feasible to do so; and
1. if the native language or other mode of communication of the parents is not a written language, the Department and the LEA shall take steps to ensure that
    - a. the notice is translated orally or by other means to the parents in their native language or other mode of communication;
    - b. the parents understand the content of the notice;
    - c. the LEA shall maintain written evidence that the requirements of paragraph C. of this section have been met.

### §1505. Parental Consent

A. Parental consent shall be obtained before the LEA conducts an initial evaluation or re-evaluation and before the LEA provides initial special education and related services to a G/T student.

B. Consent for the initial evaluation may not be construed as consent for initial placement as described in §1505A.2. above.

C. If re-evaluation involves initial criteria for any exceptionality, then written parental consent shall be obtained.

D. Parental consent is not required before the LEA reviews existing data as part of an evaluation or re-evaluation or before the LEA administers a test or other evaluation that is administered to all students unless, before administration of that test or evaluation, consent is required of parents of all students.

E. Whenever parental consent has been withheld, the LEA shall follow procedures to ensure a FAPE for the student.

1. If the parents' decision is to withhold consent for the initial evaluation or initial placement of the student in G/T services, the LEA may appeal. If the parents withhold consent for a re-evaluation, the LEA may request a due process hearing following the procedures outlined in §1507 of these regulations.

2. The parents may refuse special education services.

3. An LEA may not use a parents' refusal to consent to one service or activity to deny the parents or student any other service, benefit, or activity of the LEA except as required by these regulations

E. Informed parental consent need not be obtained for re-evaluation if the LEA can demonstrate-through detailed records of telephone calls made or attempted and the results of those calls, copies of correspondence sent to the parents and any responses received,

detailed records of visits made to the parent's home or place of employment, and the results of those visits-that it has taken reasonable measures to obtain that consent and the student's parent has failed to respond.

Any issue of the complaint that is not a part of a hearing action shall be resolved, using the time limit and procedures above.
